Purpose of Permit: Type of plantings to be irrigated, i.e. sod, flowers, trees, seed, etc.

Area of Landscape to be irrigated with exemption: Describe location on lot. Include square footage (OR) % of landscape

The Snowmass Water & Sanitation District hereby grants a water permit authorizing the owner to irrigate every day for 30 days to establish new seed, sod and trees, and 15 days to establish flowers, under the following terms and conditions:

- New plantings will not be watered between 8:00 am and 6:00 pm on any day. All other vegetation will be watered per District schedule, between midnight and 8:00 am only, on the correct day of the week: Tu/Th/Sa for north side of the valley, Wed/Fri/Sun for south side of the valley.
Only the irrigation zones necessary to establish the plantings qualify for this exemption. Irrigation of the full landscape is not allowed unless all landscape areas are new. If you cannot isolate the specific zones, you will need to water the exempt areas with a hose.
If the terms of this permit are violated or improper use is discovered, owner is subject to the 2026 schedule of fines. First violation: Warning, Second: \$250, Third: \$500, Fourth: \$1000, Fifth: Disconnection.

PERMIT FEE: First Request: No Charge. Second Request: \$50.00 Third Request: \$100.00. Please note: A site visit will be required for second or third requests.

I have read the preceding, and agree to the terms and conditions of this permit.
