

## **Ziegler Reservoir Enhancement Project**

The Snowmass Water and Sanitation District (the "District") seeks Statements of Qualifications (SOQs) from qualified, Colorado-licensed contractors (Proposers) to provide Construction Manager General Contractor (CM/GC) services for the Expansion of Ziegler Reservoir near Snowmass Village, Colorado and disposal of the excavated material on either the Snowmass Ski Area slopes or in an approved disposal area and the construction of a reinforced concrete side hill intake. This RFQ is the first step in a two-step procurement process. Short-listed firms (Phase 1) will be invited to respond to a subsequent Request for Proposals (Phase 2 RFP).

Full details for the RFP are located at the Snowmass Water and Sanitation District website located here: <https://www.swsd.org/ziegler-reservoir-enhancement>

The District seeks a partner with demonstrated expertise in delivering high-quality projects on time and within budget, using collaborative and innovative approaches. This RFQ is issued by the District and seeks submissions from the most highly qualified Proposers.

Qualified Proposers that wish to be Shortlisted under this RFQ, must submit their SOQ by the SOQ Due Date in order to be eligible for shortlisting.

The District intends to issue the Shortlist for the Project in accordance with the procurement schedule described below. The District intends to shortlist up to the three most highly qualified Proposers.
